

This is aimed as an overall plan for the whole nursery, we will keep you updated with extra details nearer to each event. Each room will also celebrate other traditions, celebrations, and interests, which we will share with you each term. The below events are open to all the children in the nursery unless a group is specified. If it's not your day but you would like to come in then you are most welcome, we just ask that you let us know and that you stay with your child, otherwise we will be out of ratio, many thanks. We look forward to seeing.
